Dear families,

Last term the Governing Body asked for your help in completing a short questionnaire, the focus of which was to help governors reflect on our school's vision, Christian values, spiritual development and the distinctive Christian characteristics of our school.

We were delighted that 69 families took the time to respond, and that these families were representative of parents across the school with respondents having children in all year groups from nursery to Year 6.

Governors have looked at the results of the survey and we are delighted that they presented a very positive picture of our school as a church school.

- Over 90% of respondents agreed that our school was a school where everyone was valued and that we had good relationships with the local community.
- Over 90% of respondents agreed that our school has clear and distinct Christian values and moreover governors and staff promoted these values. A large majority of parents also agreed that relationships between members of the school community and the high expectations of behaviour in school reflected our Christian values and that children were enabled to develop morally, socially and spiritually.
- The responses regarding RE teaching and learning were equally positive, with over 80% of respondents agreeing their child makes good progress in RE and that they have a good knowledge and understanding of Christianity and of other faiths. Respondents also agreed that there were opportunities for prayer and reflection and that collective worship was important to the life of the school.

Many thanks for taking the time to complete the questionnaire, if you would like to share any other feedback you have about our school, in particular how you feel the distinctive Christian characteristics and ethos could be enhanced then please share via email or letter to our admin, Mrs Laffey (ml@wittonwalk.cheshire.sch.uk).

Kind regards,

Sarah Merison

Chair of Governors
