

Witton Church Walk CE primary School
School Sun Protection Policy 2025

Where Every Door is Opened and Every Gift is Unlocked

At Witton we are a partnership of school, church, home, the Diocese and community. We create a stimulating and caring environment, grounded in Christian belief and practice, so that all members of our school community can flourish. We all appreciate and value what it means to be a positive member of a diverse and multicultural community. Time is taken to value and nurture each child educationally, creatively and spiritually. Children and staff are encouraged to aim for 'Everyday Excellence' and believe in themselves. Understanding and valuing their self-worth and the importance of their place and purpose in our community to be the person they are fully capable of being.
